This is a detailed topographic map of the Cache National Forest area in Utah. The map shows the forest's boundary outlined in red, stretching from the north near Richfield and Logan down to the south near Ogden and South Ogden. Major towns and cities are labeled, including Richfield, Logan, North Logan, River Heights, Providence, Milville, Nibley, Paradise, Brigham City, Corinne, Avon, Perry, Pleasant View, North Ogden, Harrisville, Ogden, South Ogden, Washington Terrace, Riverdale, and Syracuse. The map also depicts the Bear River, various mountain ranges like the Wasatch-Cache National Park area, and numerous smaller peaks and valleys. A scale bar in the bottom left corner indicates distances in miles (0, 2.5, 5, 10). The map is oriented with North at the top.
